12th Independent MG Company:
Princess Louise's Fusiliers
(part of 12 Inf Bde, existed only
between Jul '44 and Mar '45)

This ORBAT is taken from WE Cdn II/239/2 dated 15 Apr 1945. There were just three independent MG companies in Europe, all under armoured divisional command. Their markings are shown at the left. My thanks to Steve Guthrie for providing the WE from which this ORBAT was taken.
