

ARMoured VEHICLE AMMUNITION:

used in: Ram Mk. II, Churchill Mks. III & IV, Cromwell Mks. I-III

6 Pr

1. Shot Mk. IVT (with tracer)
2. Shot A.P.C. Mk. VIIT (with tracer)
3. Shot A.P.C.B.C. Mk. XIXT (with tracer)
4. Shot A.P.D.S. Mk. 3
5. Shot Practice Flathead Mk. IT (with tracer. The brown band indicates that the round is cast iron. There were many different sizes.)
6. Shell Q.F. H.E. Mk. IT (amatol fill)

Note: unfortunately while I do have their sizes, I do not have either the amn boxes' shape or markings.
