

NON CANADIAN VEHICLE MARKINGS:

A look at the markings, colour schemes and vehicles of the world's armies.

Army Registration Number:

15027

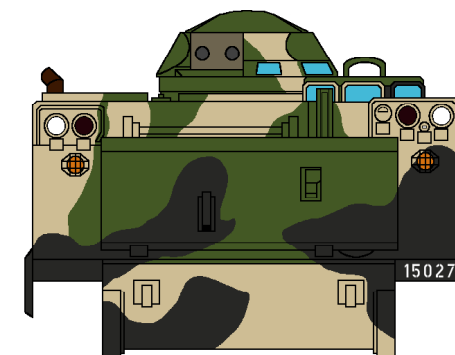

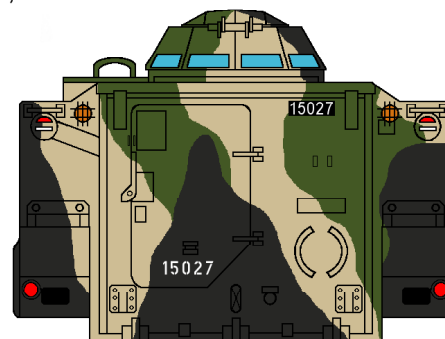

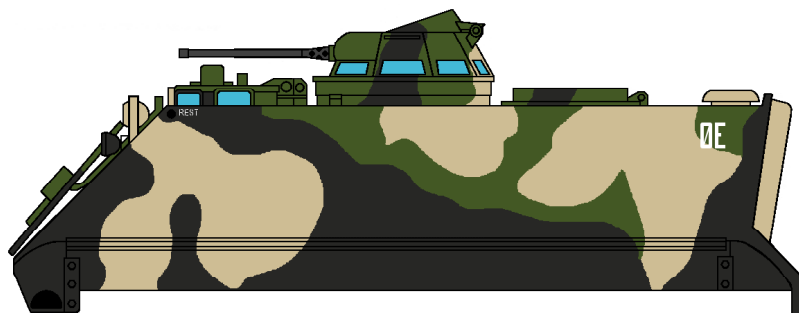

Front and Lower Rear

15027

Upper Rear

Part 5: Australian M113A1s

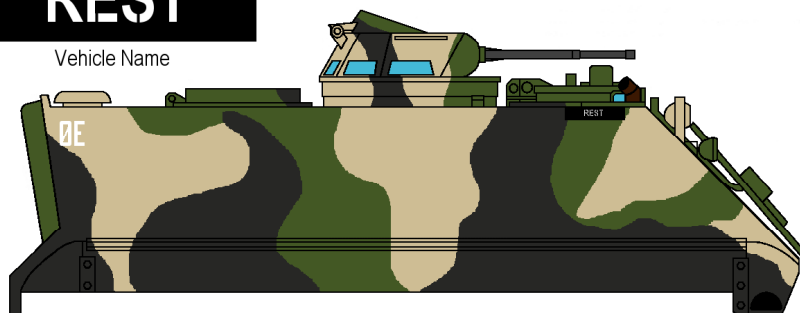

M113A1 'Rest' - Regimental Headquarters, 1st Armoured Regiment (Tank), Puckapunyal, Victoria, November 1994

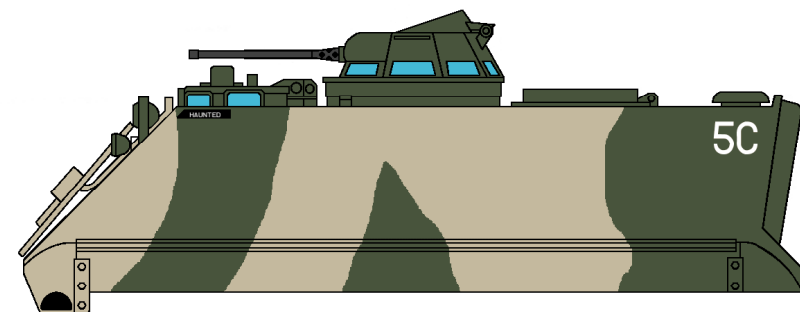

REST

Vehicle Name

M113A1 'Haunted' - Headquarters Squadron, 1st Armoured Regiment (Tank), Puckapunyal, Victoria, November 1993

Call-Sign

Haunted is shown camouflaged in mud (real mud, not mud-flavoured paint) over Australian olive drab. The rear ARN appears to have been very hastily hand-painted rather than stencilled as is the front. I have tried to copy it exactly.
